# SCOTT HOLLAWAY

GRAPHIC DESIGNER / FABRICATOR

## PROFILE

The skills I have developed during the 24 Years of experience working in graphic design and fabrication industry would be an excellent compliment to INL Communications Group. My body of work includes project management, website design, server management, graphic design, sign fabrication, and 3D product visualization. I am adept at developing a rapport with fellow employees and clientele that is both personal and professional. I am interested in acquiring a position with INL Communications Group to further my own personal development and success. The opportunity to work alongside a team of talented designers is truly exciting.
